

CHÂTEAU DE PIC

CADILLAC CÔTES DE BORDEAUX BIO

Facing the Garonne River and located 22 kms southwest of Bordeaux, the Château de Pic is characterized by its two towers from different periods, the first of which was built in the 14th century. It owes its name to the family of the famous Pic-de-la-Mirandole, a 15th century humanist philosopher and theologian, and has remained the property of the d'Abbadie de Pic family for nearly three centuries. The château benefits from a hillside terroir with a particular texture, composed of warm and deep gravel (Peyrosols) on a clayey-limestone subsoil, allowing an excellent natural drainage this particular soil gives to the wines of Château de Pic an elegant balance between structured vibrancy and finesse.

A.O.C.: Cadillac Côtes de Bordeaux

District : Le Tourne

Vineyard surface area : 32 hectares

Terroir: Gravelly and clayey-gravelly slopes atop a calcareous subsoil

Grape varieties : 55% Merlot
40% Cabernet Sauvignon
5% Petit Verdot

Average vine age : 25 ans

Viticulture: Château de Pic benefits from a high planting density per hectare (between 5,000 and 6,600 vines per hectare). The estate's plots have been farmed organically since the 2024 vintage. The vines are pruned using the traditional Bordeaux method, with two canes laid flat. Vineyard protection prioritizes preventive and natural methods, using minerals such as copper and sulfur. This approach supports the preservation of biodiversity within the vineyard. Particular care is given to pruning and to green harvesting practices such as bud removal and leaf thinning, which are carried out by hand. Shoot thinning is carefully managed to promote even distribution and good aeration of the grape clusters.

The entire vineyard is managed using sustainable viticulture, certified as HVE3 (High Environmental Value), and we are committed to a Corporate Social Responsibility (CSR) approach certified by Ecovadis.

Vinification: Destemming, crushing and vatting. Fermentation in stainless-steel, temperature-controlled tanks. The terroir's quality allows for prolonged maceration to extract tannins of wonderful subtlety.

Ageing: 12 months in French oak barrels.

Tasting notes:

A deep dark red color. This wine offers aromas of ripe black fruits, well-integrated white pepper, and mint, bringing a structural vibrancy to the wine. The palate is silky, mineral, and elegant. The long mouthfeel is also one of the characteristics of this wine, which comes from a magnificent well-exposed terroir of the Côtes de Bordeaux facing the Garonne River.

Medals & Awards :

2023 Vintage : 88 PTS 

2024 Vintage : 1 ★ Le Guide Hachette des Vins 2027

2025 Vintage : Silver Medal, Concours des Vins de Bordeaux 2026
