

CHÂTEAU LATASTE

CADILLAC CÔTES DE BORDEAUX ROUGE

The vines of the Château Lataste are located upon the slopes of the Langoiran village. They are overlooking the Garonne river and benefit from optimum conditions to produce Merlot and Cabernet Sauvignon vines. The southern exposure of the Château Lataste vines gives the opportunity to produce well ripen grapes and, consequently, wines with their terroir typicity.

A.O.C.: Cadillac Côtes de Bordeaux rouge.

District: Langoiran

Vine surface area: 10 hectares

Terroir: clayey-gravelley and clayey limestone soils .

Grapes varieties: 55% Merlot
45% Cabernet Sauvignon

Average vine age: 20 years

Viticulture : Traditional Bordeaux-style vine training, with two canes and a flat arch. Controlled grassing down of the vine rows or mechanical working of the soil, to improve the soils' vitality and biodiversity. Manual "green harvesting", for a homogeneous distribution and proper aeration of the grape bunches.

The entire vineyard is managed using sustainable viticulture, certified as HVE3 (High Environmental Value), and we are committed to a Corporate Social Responsibility (CSR) approach certified by Ecovadis.

Vinification: Destemming, crushing and vatting. Cold pre-fermentation maceration to delicately extract colour and fruitiness. Fermentation in stainless-steel, temperature-controlled tanks. The maceration is extended to obtain a powerful dense wine

Ageing: In french oak barrels for 12 months.

Tasting notes:

The wine has a deep ruby red colour. The nose develops notes of red fruits, flowers as well as spicy aromas. The attack is frank and the mouth is full-bodied, the tanins are fine and round and participate to the finesse of the finale.
