

CHÂTEAU DE CURSOL

BORDEAUX SUPÉRIEUR ROUGE

Château de Coursol is located in Loupes, on a magnificent clayey-gravelly plateau typical of the Entre-Deux-Mers. The historic vineyard was taken over by the Gouffier family in 2015, which began an important work of restructuring the vineyard, notably by increasing the planting density to 5000 vines per hectare.

A.O.C.: Bordeaux Supérieur

District: Loupes

Vineyard surface area: 15 hectares

Terroir: Clayey-gravelly plateau

Grape varieties: 70% Merlot
20% Cabernet Sauvignon
10% Cabernet Franc

Average vine age: 20 years

Viticulture: Traditional Bordeaux-style vine training, with two canes and a flat arch. Controlled grassing-down of the vine rows or mechanical working of the soil, to improve the soils' vitality and biodiversity. Manual "green harvesting", for a homogeneous distribution and proper aeration of the grape bunches. Mechanical grape harvesting.

Sustainable farming methods are applied to the entire vineyard, which enjoys Haute Valeur Environnementale ("High Environmental Value") and Terra vitis (Since the 2018 vintage) certifications.

Vinification: Destemming, crushing and vatting. Cold pre-fermentation maceration to delicately extract colour and fruitiness. Fermentation in stainless-steel, temperature-controlled tanks. The maceration is extended to obtain a powerful dense wine.

Ageing: 12 months in french oak barrels.

Tasting notes:

Ruby red in colour, Château de Coursol is round and suave in the mouth, with soften tannins. A charming wine to enjoy with roasts and poultry.
