

CHÂTEAU LANGOIRAN

BORDEAUX BLANC SEC

Château Langoiran carries the name as the municipality in which it is located, 25 kilometers at the south east of Bordeaux, on the right bank of the Garonne River. Château Langoiran wines benefit from a particularly meticulous vinification as well as an optimum ageing in French oak barrels in the underground cellar dated from the 17th century. Today, the Château Langoiran's cellar is opened to public for daily visits. Its underground cellar, the particularity of the Cadillac Côtes de Bordeaux terroir, the history of the region and the beautiful landscapes are good reasons to come and discover the wine-making philosophy of the Gonfrier family.

A.O.C. : Bordeaux blanc sec

District: Langoiran

Vineyard surface area : 10 hectares

Terroir : Clayey-gravelly slopes

Grape varieties: 70% Sauvignon
30% Sémillon

Average vine age : 20 years

Viticulture : Traditional Bordeaux-style vine training, with two canes and a flat arch. Controlled grassing-down of the vine rows or mechanical working of the soil, to improve the soils' vitality and biodiversity. Manual "green harvesting", for a homogeneous distribution and proper aeration of the grape bunches. Mechanical grape harvesting.

The entire vineyard is managed using sustainable viticulture, certified as HVE3 (High Environmental Value), and we are committed to a Corporate Social Responsibility (CSR) approach certified by Ecovadis.

Vinification : The grapes are harvested upon reaching their maximum aromatic potential. Maceration under inert gas to capture the best of the grape skins, followed by delicate fragmented pressing. Clarification of the must, then alcoholic fermentation under controlled temperature (18° C). A third of the wine is fermented in French-oak barrels.

Ageing : On fine lees in stainless-steel tanks and partly in 225L barrels for a period of 6 months, then blending.

Tasting notes:

Hues of light green. Powerful nose, with notes of citrus fruits and white-fleshed fruits, and a touch of smoke. Frank, mineral and dense in the mouth, with fruit and intensity. A lovely white full of character.
