

ODYSSEA

CHÂTEAU LANGOIRAN

BORDEAUX BLANC SEC

Odyssea is a signature brand of Vignobles Gonfrier. The wines reflect the ancient viticultural savoir-faire, with unpretentious and precise implementation, entirely vinified in oak barrels. Odyssea wines are racy, with long aging potential.

Odyssea Château Langoiran Bordeaux Blanc comes from specific old vines planted on rootstock '3309' suited for producing finest, rich, and flavorful white wines with an exceptional bouquet. The clayey-gravelly slope of Langoiran with steep terrain benefits the vines from a dry and warm exposition. The rootstock '3309' plays a predominant role in accompanying the berries until their maximum aromatic potential.

A.O.C. : Bordeaux blanc sec

District : Langoiran

Vineyard surface area : 5 hectares

Terroir : Clayey-gravelly slopes

Grape varieties : 90% Sémillon, 10% Sauvignon Blanc

Average vine age : 35 years

Viticulture : Traditional Bordeaux-style vine training, with two canes and a flat arch. Controlled grassing-down of the vine rows and mechanical working of the soil, to improve the soils' vitality and biodiversity. Manual "green harvesting", for a homogeneous distribution and proper aeration of the grape bunches.

The entire vineyard is managed using sustainable viticulture, certified as HVE3 (High Environmental Value), and we are committed to a Corporate Social Responsibility (CSR) approach certified by Ecovadis.

Vinification : The grapes are harvested at their maximum aromatic potential. Maceration of the berries under inert gas to capture the best of the grape skins, then delicate and fragmented pressing. Clarification of the must, then entonnage in 225L and 300L French barrels. Regular stirring of the lees during the alcoholic fermentation in barrels.

Ageing : On the lees in French oak barrels for 8 months with interval stirring.

Tasting notes

With a brilliant hue and golden reflections, Odyssea, Bordeaux Blanc reveals floral notes, candied citrus fruits, pineapple, and hints of almonds. Finely balanced and complex, the frank and suave palate underlines a beautiful minerality. Ideal to taste with grilled fish, white meat or goat cheese.
